## OUR PATRONS

In Coimbatore, the city famous for its Hospitality and Culture, P. Perichi Gounder Memorial Education and Charitable Trust (PPG Trust), a renowned, benevolent, Charitable, educational trust was established in the year 1992 by Dr. L. P. Thangavelu, M.S., FIAS, FIAGES, FICS., the leading laparoscopic surgeon in Coimbatore. It is an institution par excellence rendering yeomen service catering to the needs of budding youth and under-privileged. The founder chairman Dr. L. P. Thangavelu being the visionary and erudite educationist has encrypted in the DNA of the institution the poise to evolve into a paragon of perfection and excellence with the able support of his wife Mrs. Shanthi Thangavelu as the Correspondent of PPG Group of Institutions. The institutions under the banner of PPG are making strides in achieving and accumulating accolades and laurels.

The trust has established and been nurturing various educational institutions for the last 10 years in Coimbatore – Ashwin Hospital, PPG College of Nursing, PPG School of Nursing, PPG College of Physiotherapy, PPG College of Education, PPG Teacher Training Institute, PPG Institute of Technology and PPG Business School, Alchemy Public School and offers B.Sc. & M.Sc. Nursing, BPT & MPT, B.Ed., & M.Ed., Diploma in Nursing, Diploma in Teacher Education, BE, ME, MBA and MCA.

## **WORDS OF WELCOME**

We look forward to the 2017-18 academic year in which you will experience new challenges, fresh opportunities and create new ties to help prepare you for a promising future. The PPG Institutions proudly welcome everyone who has joined with our PPG family in this current academic year 2017-18 and wish a memorable career in your life.

The PPG Institution administration and its Board of Trustees invite and implement creative and innovative ideas to advance the institution. With academic course work and exciting co-curricular and extra-curricular opportunities, your undergraduate years are invaluable and provide an important foundation for your future career and the contributions you will make.

Complementing the above said vision, this student handbook will be your resource for the “details” of student life—from student services and campus life to academic advising, safety, and policies, including a calendar of important dates as well as traditional and new events. We encourage you to dedicate yourself in the classroom first, and then go beyond to fully engage with others in your learning through conversation, discussion and discovery. We wish you all the best for an excellent academic year.

**Dr. R. Prakasam, B.E., (Hons)., M.E., F.I.E., C. Engg., MISTE  
CEO & Principal,  
PPG Institute of Technology, Coimbatore**

## **DIRECTOR MESSAGE**

Revolutionary changes in the recent technologies and remarkable growth demands a clear vision and mission, smart work, right way of approach and ability to transform challenges into opportunities. Our institution work hard by providing the students an excellent quality education, training in various fields and making them ready to face the corporate world. Industry-institute collaborations, institutional memberships and various industrial training opportunities help the students to excel and be ahead in the competitive professional environment. We have a good rapport with all our stakeholders who helps us to achieve our mission.

We encourage our students to participate in various activities, organize various technical and cultural activities.

We wish you all the best for your bright future.

**DR. R.K.GNANA MURTHY**,M.E., Ph.D.,F.I.E., MIET, MISTE  
**DIRECTOR,**

## **OUR VISION**

**“To be a incubator of innovation and excellence imparting technical and management education, to compete globally and thereby contribute to the socio-economic well being of the nation ”**

## **OUR MISSION**

“To bestow eminent technical and management education, to ignite students with an urge for research and development, to inculcate the habit of independent and innovative thinking, to infuse the spirit of self-direction and thereby make our students assets to our nation - be a part of its pride and heritage by upholding and promoting the ethical values, principles of morality and ethos of our ancient culture”

## **QUALITY POLICY**

To impart high quality technical education by practicing an efficient quality management system and strive continuously to improve the infrastructure facility and the competence of faculties.

**What Sculpture is to a block of Marble, Education is to the Human Soul**

## **PPG INSTITUTE OF TECHNOLOGY (PPGIT)**

The PPGIT is a flag ship institution which was started in the year 2008 and established under the aegis of renowned P. Perichi Gounder Memorial Education and Charitable Trust (PPG Trust), Coimbatore, with the motive of imparting value education par excellence, is the brain child of Dr. L. P. Thangavelu, M.S., FIAS, FIAGES, FICS., PPGIT is an AICTE (New Delhi) Approved Institution and Affiliated to Anna University, Chennai. The College bestows an erudite atmosphere crafted with ethics and ethos of Indian culture. With excellent facilities and state-of-the-art infrastructure, the college is geared up to perform and progress. Apart from grooming and equipping the students to be industry ready, it inculcates them the value and vision. PPGIT has a band of highly qualified, eminent, committed and dedicated faculty with vast knowledge and experience who take personal interest in the development and molding of each student.

### **UNDERGRADUATE COURSES**

1. B.E. CIVIL ENGINEERING
2. B.E. COMPUTER SCIENCE ENGINEERING
3. B.E. ELECTRICAL AND ELECTRONICS ENGINEERING
4. B.E. ELECTRONICS AND COMMUNICATION ENGINEERING
5. B.E. MECHANICAL ENGINEERING
6. B.E. MECHATRONICS

### **POST GRADUATE COURSES**

1. M.E. COMPUTER SCIENCE ENGINEERING
2. M.E. VLSI DESIGN
3. M.E. POWER ELECTRONICS AND DRIVES
4. M.E ENGINEERING DESIGN

**Over many years, the PPG Group of Institutions has developed its own culture. Students, alumni, faculty and staff are proud of the "PPG Culture" that can be characterized by the following traits:**

**At PPG, We shall uphold the highest ethical standards in striving for academic and professional integrity in all that we do. Place fairness and honesty at the center of all of its policies and operations.**

**Be committed to provide high-quality, innovative, and flexible educational opportunities and services in an accessible, student-friendly environment. Set, expect and maintain high educational standards consistent with the needs of the students, region and changing workforce. Continually adapt, improve and evaluate our services to promote lifelong intellectual and personal development. Engage in effective, open and proactive communication. Strive with conscientious pursuit of excellence in one's duty and responsibility for the community we serve. Shall promote respect, civility and courtesy in our day-to-day interactions with others, and respect the rights, differences and dignity of others.**

**“Your beliefs become your thoughts, your thoughts become your words, your words become your actions, your actions become your habits, your habits become your values and your values become your destiny.”**

**— Mahatma Gandhi**

## **CAMPUS RESOURCES**

**The PPG campus is a self-sufficient with expert virtues, knowledge and innovations coupled with awesome amenities. The PPG Institute of Technology covers a vast spread of land, measuring close to 3,25,000 Sq. ft. The Buildings house fully furnished Engineering Blocks, Workshop Blocks, State -of -art Laboratories, Centre of Excellence, Common Rooms, Furnished Class rooms, Conference halls, Offices for HODs, Staff rooms, Seminar Halls, Libraries, Documentation Centre, Fully Equipped Sports and Recreation Facilities, and other facilities as per 'AICTE Norms and Standards'. Spacious walk way between the entrance and buildings surrounded by canopy of green trees provide the serene and right ambience for a stimulating academic experience. The College has two residential Hostels, separately for Boys and Girls along with superior and hygienic cafeteria. The campus has two furnished auditoriums. It plays host to internal student events, guest lectures and seminars.**

## **LIBRARY**

**The central library has modern digitalized library software with facilities for searching the collection of almost all the types of documents available in various Medias in the field of Engineering, Technology and Management. The one real object of education is to have a man in the condition of continually asking questions.**

**Services available in the Library:**

**The central library of PPGIT has an OPAC aided Extravagant Digital Library outfitted with abundant Digital books and e-journals. The**

**Library also holds a rich collection of books and journals amounting to 14400 volumes, which cover a broad range of subjects including the humanities, social sciences, management, but mainly focuses on science, engineering and technology. The library has a comprehensive operating system with a variety of sources: students may find information through the online database and the network resources. The library also has a large collection of CDS, Audio and Video tapes on technical and general subjects to improve the teaching learning process. You can also search for e-journals using our Digital Library. The Central Library has also subscribed to e-resources of IEEE / IEL through INDEST-AICTE Consortium. Through this subscription the institute can access on-line 950,000 documents from over 12,000 publications, includes 120 journals (International), transactions, magazines, conference proceedings, IEEE standards. It also has access for e-journals from DELNET & Infotrac. This covers almost one third of the world's current electrical engineering and computer science literature.**

## **LABORATORIES**

**PPG Institute of Technology has the state-of-art Lab facilities and Research lab for all the departments. The laboratories are well equipped and facilitated to conduct experiments for the students and offer a rich learning experience.**

## **BASIC SCIENCES LABORATORY:**

### ➤ **Physics Laboratory**

In this laboratory, students are instructed to learn through the experiments in the areas of optics, heat, electricity, acoustics, electronic and material science. A separate darkroom is available to conduct experiments in spectrometry and laser.

### ➤ **Chemistry Laboratory**

In this laboratory, the students are trained to utilize advanced innovative equipments such as pH meter, Spectrophotometer, Flame photometer, Potentiometer, Conductivity meter and to calculate the percentage of different salts present in the given solution by qualitative analysis.

## **COMPUTER & INFORMATION TECHNOLOGY - INFRASTRUCTURE**

### ➤ **Computer & Information Technology Laboratory**

This laboratory is equipped with modern computer systems with Internet and the laboratory provides training in basic operating systems, computer languages and software like 'C', C++, Java, Visual studio's Word processing, Presentation, Spreadsheet, 2D/3D CAD Software's etc. The following labs are included:

- Network Lab
- Communication Lab
- Case Tools Lab
- System Software Lab
- Operating Systems Lab

All Terminals are networked to provide cross platform application with Client Server architecture. All Buildings of the College have been linked up and connectivity has been established through Fiber-Optic cables. In addition to the provision of regular course the Multimedia based English Learning Software is offered in an Exclusive 'Language Lab'.

### **The PPG Campus is Wi-Fi enabled.**

#### ➤ **Computer Centre**

The fully air conditioned sophisticated and spacious computer centre is a matter of tremendous pride of the college and it is extensively equipped with the latest hardware from leading IT vendors DELL, HP and Linksys. All the computers are interconnected through a Local Area Network with the centralized HP server. Printing and scanning services are also available.

### **COMMUNICATION LABORATORY:**

#### ➤ **Language Laboratory**

An interactive spoken language lab with modern audio visual aids, 30 computer systems, Internet and a qualified trainer has been setup to improve the communications skills of the students.

### **ENGINEERING LABORATORY:**

#### ➤ **Basic Engineering Workshop**

The first year B.E./B.Tech. Students are given training in basic workshop skills like carpentry, fitting, welding and smithy.

#### ➤ **Civil Laboratory**

The department is equipped with state-of-the-art learning facilities and laboratories to prepare our graduates in the ever growing field of civil engineering. The laboratories include:

- Surveying Lab
- Strength of Materials Lab

- Concrete & Highway Lab
- Environmental Engineering Lab
- Soil Mechanics Lab
- Hydraulic Lab
- Environmental Irrigation Lab

➤ **Mechanical Engineering & Mechatronics Laboratory**

The department is equipped with state-of-the-art learning facilities and laboratories to prepare our graduates in the ever growing field of mechanical engineering. The laboratories include:

- CAD lab
- Analysis & simulation lab
- A central workshop
- Fluid Mechanics Lab
- Strength of Materials Lab
- CAD/CAM Lab
- Manufacturing Technology Lab
- CNC Machines Lab

➤ **Electronics & Communication Engineering Laboratory**

The opportunities for Electronics graduates are excellent with the wide variety of areas help the students to enrich their skills. The laboratories include:

- VLSI Design lab
- Digital Electronics Lab
- Microprocessor Lab
- Communication Lab
- Electronics Lab
- Networks Lab

- Digital Signal Processing lab

➤ **Electrical and Electronics Engineering Laboratory**

The department students are introduced with an adequate work experience in the measurement of different quantities and also the expertise in handling various instruments. The laboratories include:

- Power Electronics & Drive lab
- Electrical Machines Lab
- Power Electronics Lab
- Control Systems Lab
- Electric Drives and Control Lab
- Measurements and Instruments lab
- Power System Simulations Lab

**POST GRADUATE LABORATORIES**

➤ **Mechanical Engineering Laboratory**

The department has research oriented laboratory facilities for their Post Graduates to get better knowledge practically in their respective field.

- ANSYS Lab
- Research Lab

➤ **Computer Science Engineering Laboratory**

The department has well advanced programming and application oriented lab for their Post Graduates.

- Network and Data Structures Lab
- Research Lab

➤ **Electrical and Electronics Engineering Laboratory**

The department provides a research oriented lab with various kinds of equipments coupled with latest technology.

- Power Electronics and Drives Lab
- Research Lab

**Electronics and Communication Engineering laboratory**

The department is well equipped with research labs for their graduates to continue their academic pursuit till the doctorate programme

- VLSI Design I & II
- Research Lab

**Sports:**

PPGIT encourages students to participate in various inter- sports meet and recognizes representation and victories. The hostels of PPG are equipped with Indoor recreational facilities such as carrom, chess etc.

**Transport Facility:**

**The college currently provides bus facility to staff and students from different parts of the city which are mentioned below and it will increase as per staffs and students need.**

**Route 1: Gandhipuram to College via Ganapathy.**

**Route 2: Vadavalli to College via Thudiyalur.**

**Route 3: Mettupalayam to College via Thudiyalur.**

**Route 4: Sathyamangalam to College via kovilpalayam.**

**Route 5: Ukkadam to College via singanallur**

**Route 6: Ondipudur to College via Gandhipuram**

**Route 7: Palakkad to College via Walayar**

**Banking Services:**

**Indian Bank ATM Counter is available in the campus, making it convenient for students and staff.**

**Canteen:**

**A canteen facility is available inside the campus. Different menus are provided to cater the taste buds of the staff and students.**

**Stationary:**

**A store with good stock of stationary products is available inside the College campus.**

**PLACEMENT & CAREER CELL**

PPG is proud that its graduates are rated very high by the employers from industry and commerce. The training and placement centre is provided with a well equipped conference room, GD halls and separate fully furnished chambers for interview and counseling. The training and placement cell is dedicated to provide assistance to students in all phases of the career development process.

**Services Included:**

- Career Assessment
- Resume & Cover letter Review
- Internship Assistance
- Interview Preparation
- Networking Assistance
- Job Search Assistance
- Overseas Educational Guidance
- On & Off Campus related events

## Value Added Courses & MoU

The institution has signed MoU with the following leading companies to provide value added courses supplementing the academic expertise.

1. TUV Rheinland (India)
1. Xplore IT Corp
2. ELF Global
3. BSNL
4. HSS
5. OXIDE Technologies etc

## Our Recruiters – Our Pride

## Counselling Service:

Counseling services is housed in the training and placement Cell. It helps the students to gain an understanding that leads to a resolution of problems. Individual and group counseling are provided by qualified counselor. All discussion between counselor and students are kept confidential.

**Mentoring Service:**

Students are assigned with a tutor with 1:15 ratio. Students can discuss personal, academic, extracurricular and career related queries and get the right guidance.

**Entrepreneurial Cell:**

It promotes entrepreneurship among students and equip students through a gamut of events to achieve their goals.

**The R&D Cell:**

The R&D Cell is established to promote research and development activities in the Institution. It also equips the students and the faculty members with latest advancements in the technological areas. The Cell is active with energy and expertise to provide engineering consultancy and research in innovative areas. It aims to enhance the engineering education with research orientation.

*A goal is dream with a deadline -Napoleon Hill*

## **CAMPUS ENGAGEMENT**

Student Clubs and Associations are the door to building new friendships. They enhance academic life and enable to explore career opportunities. By being an active member of the club, students learn leadership and management skills.

### **Functional Committees**

The campus has functional committees comprising of Senior Faculty members. They have been constituted to ensure the systematic and smooth functioning of the curricular, co-curricular and extra-curricular activities. Presented below are the various functional committees of the campus:

<b>S. No</b>	<b>Name of the Committee</b>	<b>Faculty In-Charge</b>

### **Co-Curricular Activities: Professional Associations**

Different Associations under the fold of respective departments organize various programmes and meet to keep the industry institution interface alive

- Civil Engineering Association – INFRAZZ
- Computer Science and Engineering Association - WIZKIDS
- Electrical and Electronics Engineering Association - RECAIN
- Electronics and Communication Engineering Association - EONYX
- Mechanical Engineering Association – MECHANATOR
- Mechatronics Association- M-TRONZ

In addition to the activities of the above professional clubs, Guest Lectures are being conducted in the appropriate field regularly. Besides, the respective Association organizes Conferences, Workshops, Symposia and Technical Seminars.

### **Extra - Curricular Activities**

College focuses on Academic and Professional Development of Students with Organizational abilities, skill sets and Ethical Values. Students are encouraged to participate in many co-curricular and extra-curricular activities every week/ month/ Semester. Many students participate and excel in debates, creative writing for Excellence, Fine Arts, Cultural, Sports and Games. The Cultural Association provides opportunities to develop talents and exhibit team spirit. Students are encouraged to discover themselves and enjoy the extracurricular activities with enthusiasm.

## **The Alumni Association**

Alumni Association is working efficiently under the guidance of an experienced team of Staff Members.

## **Community Service**

**A number of social service units like National Service Scheme (NSS), Youth Red Cross (YRC) and Red Ribbon Club (RRC) indulge in community Services.**

**They conduct blood donation camps, free eye camps, adult literacy camps, functional literacy programmes / health and hygiene camps/ tree planting schemes etc.**

**Every year the outgoing batch as a mark of thanks giving provide food to the children of orphanage and the needy in association with faculty and staff of the Institution.**

## **Complaints cum Grievance Redressal Committee**

**The Committee is headed by a Senior Faculty**

**Faculty from departments as members meet periodically and look into the problems related to Students and employees.**

**The Committee invites suggestions from employees for improving upon the working Environment and issues, if any.**

## **Scholarships/ Incentives/ Awards**

**The institute recognizes University Rank Holders and Branch Toppers through “Proficiency Awards”**

**Certificate of Merit in the subsequent academic year is given for the students achieving 100% attendance, both in odd and even semester of an Academic year.**

**Scholarships are given for meritorious students and to the students with poor family background with a value of about 2 Crore by the PPG Trust.**

## **EXAMINATION**

### **Details of Semester Examination:**

1. The External and Internal mark components for all UG and PG courses will be 80:20 from the academic year 2011- 2012 onwards for all the students (irrespective of regulations).
2. Performance of each course of study shall be evaluated based on External: 80 Marks (End university examination for 100 marks which is to be converted to 80 marks) internal: 20 marks – 5 marks for each internal test
3. Each course, both theory and practical shall be evaluated for a maximum of 100 marks. The final year project work shall be evaluated for a maximum of 200 marks.
4. The university examination (theory and practical) of 3 hours duration shall normally be conducted between November and December during the ODD semester and between March and April during the EVEN semester.
5. The university examination for final year project work shall comprise evaluation of the final reports submitted by the project group (of not exceeding 4 students) by an external examiner followed by a viva-voice examination conducted separately for each student by a committee consisting of the external examiner, the guide of the project group and an internal examiner.

### **Criteria to Appear for Semester Examinations**

A candidate who has fulfilled the following requirements shall be deemed as eligible candidate to appear for semester examinations:

1. Ideally every student is expected to attend all classes and put up an attendance of 100%. However, in order to allow for certain unavoidable reasons such as medical/ participation in sports / personal, the student is expected to attend at least 75% of the classes during any semester.

Therefore, he / she shall secure not less than 75% (after rounding off to the nearest integer) of overall attendance taking into account the total number of 450 periods in a semester with 90 working days for B.E./B.Tech, 400 periods for ME in all course put together attended by the candidate as against the total number of periods in all courses offered during that semester.

2. However, a candidate who could secure attendance between 65% and less than 75% (after rounding off to the nearest integer) in the current semester due to medical reasons (hospitalization/ accident/specific illness) or due to participation in the College/University/State/National/International level sports events with prior permission from the Principal shall be given exemption from the prescribed attendance requirement and he/she shall be permitted to appear for the current semester examinations and permitted to go to the next semester.
3. A candidate shall normally be permitted to appear for the University examination of the current semester if he/she has registered for the examination in all courses of that semester. Registration is mandatory for current semester examinations as well as for all arrear examinations failing which the candidate will not be permitted to move to the higher semester.
4. Candidates who do not complete the semester, will not be permitted to write the University Examination at the end of the semester and not permitted to go to the next semester. They are required to repeat the incomplete semester in the next academic year, as per the norms provided.
5. Student should maintain good progress and conduct which are pre-requisites for appearing for the University Examination.

## **CODE OF CONDUCT IN EXAMINATION HALL**

1. Students should report at the examination hall at least 15 minutes before the scheduled time. Students will not be permitted into the examination hall after the question paper is distributed.
2. Students are expected to equip themselves with pen, pencil, ruler, calculator etc. Borrowing of books, study material, calculators etc. are strictly prohibited in the examination hall.
3. On entering the examination hall, each student should collect the answer booklet from the invigilator. Students are required to take their seats as per the instructions. Answer booklets are not exchangeable.
4. Students must fill the particulars on the cover page of answer booklet before proceeding to attempt any question. The same is the case with every additional booklet used.
5. A student must not refer to any book, paper or other notes. All books and study materials must be left outside the examination hall.
6. The Examination Centre will not be held responsible for the loss or theft of any material from within or outside the examination venue. Students are therefore advised to refrain from carrying important books, papers or other belongings to the examination venue in order to avoid the risk of losing them.
7. Except for essential communication with the invigilator, a student is not permitted to communicate in any form with anyone else during the examination.
8. Passing or receiving information in any form or peeping into the answer books of others during the examination constitutes 'misconduct' and hence is strictly prohibited.

9. A student, who assists or abets giving or passing of information, in any form whatsoever, will be considered as guilty and punishable as the one receiving it.
10. Students must stop writing, as soon as the invigilator signals the end of the time allotted for the examination.
11. Students are not allowed to leave the examination venue during the examination, without the express permission of the invigilator.
12. Answer books should be handed over to the invigilator once the student finishes the examination. It is the sole responsibility of the student to ensure that his/her answer book is promptly handed over to the invigilator.
13. Any violation of the norms of examination will be considered a serious offence and an act of misconduct. In such an event, the student will be liable for forfeiture of the answer book and expulsion from the examination hall at once.
14. If the gravity of the offence is so grave as to adversely affect the reputation of the institute and/or the fair conduct of an examination and/or the general discipline, the student will be liable for expulsion from the programme.
15. If a student is not in a position to take an examination for reasons beyond his/her control, he/she should inform in writing to the Principal through the HOD or the faculty concerned beforehand and obtain his/her clearance. Conducting a Re-Test for Internal test is the discretion of the College, the student cannot demand for the same.

## **Academic Progress**

1. Students are supported to maintain steady Academic progress.
2. 50% or more marks in each subject are considered as the minimum level of acceptable performance in Cycle tests and in Model Examinations. Students are advised to aim at the highest level of 100% marks in each subject.
3. Pass in Cycle/ Model Test is compulsory.
4. Internal Assessment Marks: Anna University has introduced an Internal Assessment of 20 Marks. This will be calculated as directed by the university regulations from time to time.
5. Performance of students, who have poor Academic Track Record/ Poor Performance or inadequate attendance, will be reported to Parents.

## **Counseling**

There is one Faculty Counselor for every twenty students. Students are counseled periodically on student Development, Issues affecting progress, Academic Performance, Higher Studies, Placement, Attendance and Discipline.

There is a full time Expert Counselor with Specialization in Psychology. Students are supported to seek special guidance and advice from the Expert Counselor as and when it is necessary.

Students can make suggestions and feedback regarding difficulties either directly to the Class In-charge/ HOD/ Principal or through the suggestion box (which is provided at the entrance of the Main block or through the Expert Counselor).

A Class committee meeting is held thrice per semester at suitable intervals. During these meetings, the student representatives can tell their opinions

and suggestions regarding Lecture Classes, Lab Sessions and Cycles Test performance to enable mid-semester corrections for achieving excellence in Teaching- Learning process.

## **LABORATORY DISCIPLINE**

PPG Institute of technology provides students with access to network and computing resources as an integral part of the educational environment. Students using these resources should do so responsibly and consistent with the institution mission and objectives. Laboratory discipline applies to all Laboratories and Workshops.

The College reserves the right to define and enforce appropriate regulations to ensure that the use of these resources is consistent with the College mission. Enforcement of these regulations may involve (at the College's discretion) monitoring of stored disk files and electronic transmissions (electronic mail, Web-site accesses, etc.).

All information stored therein is the property of the College. Use of the network and computing facilities implies consent to the following regulations and monitoring activities.

1. To verify your eligibility to use the computer lab you may be asked to show your ID cards. Students are obliged to display ID cards when asked for.
2. Food (including chewing gum) is not allowed. All kinds of sealed/non-sealed beverages are also forbidden, including water bottles. Students are instructed to strictly follow Lab dress code wherever applicable.
3. Academic work has precedence over the hobby computing. Game playing is strictly not allowed in the labs. Students who need to do academic work can log on.
4. Conversations are not allowed inside the labs. Conversations should take place in the hallway.

5. Each user is responsible for the use of his/her network account. Students may not allow others to use their computer accounts.
6. Students are responsible for any computing and network access through the PPG network connection (hostel rooms, Labs, etc.).
7. All users must take reasonable precautions to safeguard their passwords.
8. Transferring copyrighted materials to or from any system or via the College network without written consent is strictly forbidden and is treated as a violation of code. Examples of illegal copying include:
  - a. Making a personal copy of software licensed to the College.
  - b. Copying files created by another person without obtaining that person's permission.
  - c. Installing software on a computer without obtaining license for that software.
  - d. Failing to abide by computer software contracts.
9. It is forbidden to disrupt the PPG IT computer network or computing equipment or software or to tamper with computer security.
  - a. It is unacceptable behavior to corrupt files, introduce deviant software (worms, viruses, etc.), or interfere with someone else's legitimate computer use.
  - b. Possession of a program designed to gain unauthorized access will be deemed to constitute an attempt at breaking computer security.
  - c. Browsing, exploring, or making other unauthorized attempts to view, obtain, or modify data, files, postings, or directories' belonging to the College or to other users is forbidden.
10. Accessing, viewing, displaying, printing, or distributing pornographic or obscene material is prohibited. Establishing Web pages with links to such material is also prohibited.

11. Use of electronic mail and other network communications facilities to harass, offend, or annoy other users of this network or any other network is forbidden. "Chain letters" and "e-mail bombing" are considered to be violations of this policy.
12. Students are expected to treat the equipment with appropriate care. Because of the importance of maintaining computers properly, food and drink are not allowed in the computing labs. Computer repairs, recabling, etc., must be done by the System administrative office staff members.
13. Users should help keep down the cost of providing the computer resources. Supplies such as laser toner and paper are provided for use in the laboratories on college-owned equipment. Printing should be limited to essential work. Multiple copies of printouts (e.g., meeting notices, campaign posters) should be made on photocopy machines rather than on the computer printers. Supplies should not be removed from the laboratories for use on other equipment. Students with computers in their rooms are responsible for providing their own supplies for in-room use.
14. Users are not to send out unsolicited electronic mail messages to large numbers of recipients
15. Incidental use of College computers and network resources for personal gain (e.g., posting a resume, mentioning consulting services on a personal Web page, using e-mail to correspond with an employer) is allowed, but students are not to make such business activity and/or entertainment activity the primary focus of their computing and network usage.
16. The use of college owned equipment for the facilitation of academic dishonesty is forbidden.

17. Users with access to administrative (or other) computer data are expected to protect the confidentiality of the information and to respect the privacy of individuals to whom the information refers.

To keep a continuous watch and vigil over ragging so as to prevent its occurrence and recurrence.

To promptly deal with the incidents of ragging brought to its notice and summarily punish the guilty either by itself or by putting-forth its finding/recommendation/suggestions before the authority competent to take decision.

### **DISCIPLINARY RULES FOR THE INMATES OF THE HOSTELS**

The following rules shall apply to both MALE and FEMALE students residing in the PPG hostels. Violation of any rule will make the inmate liable to disciplinary action including expulsion from the hostels and also from institution.

1. Every student must remember that the hostel is the home of the student on the campus and therefore, he/she should behave himself/herself on the campus as well as outside in such a manner as to bring credit to him/her and to the institution.
2. A student once admitted in the hostel will continue to be a hostel inmate throughout the year unless otherwise debarred from the hostel on disciplinary grounds. Unless they clear the dues, they shall not be allowed to take University examinations. Further, he/she may be expelled from the halls of residence and/or messes.
3. The admission into hostel is valid up to commencement of summer vacation/end of academic programme whichever is earlier.

NB: Accommodation will be provided in summer vacation on request and depends on availability and approval of the authority. This facility is only

for PG students who are doing their projects in institute and foreign students.

4. Room furniture, electrical fittings etc., are required to be maintained by the students in good condition. Students should vacate the hostel during summer vocation. If they have to leave any belongings in the hostel during this period, they should contact the hostel caretaker for the same but at their own risk.
5. Residents shall occupy the rooms only after allotment is made by the hall warden concerned. Change of room may be permitted in exceptional cases, provided it is deemed necessary/justified by the Chief Warden. Unauthorized occupation of any room or exchange of rooms shall be treated as serious violation of disciplinary rules of the hostels. Residents found guilty of such violation of the hostel rules shall be expelled from the hostels without any further enquiry.
6. No parent or guardian of a student is permitted to stay in the hostel.
7. Male students shall not remain absent from their hostels during night between 9.30 pm to 6.00 am without the prior permission of the Warden/Chief Warden. Corresponding timings for the women's hostel are 8.30 pm to 7.00 am even with prior permission. In case of any emergency, they should take written permission from the Chief Warden/concerned Block Warden. The students are required to carry their identity cards with them when they move inside the campus.
8. Visitors are not permitted in the hostel after 7.00 p.m. However, in special cases, prior permission of warden must be obtained to stay beyond these hours.
9. Hostel students shall not leave the headquarters without prior permission of the Warden/Chief Warden. They shall have to apply for permission in

writing in advance stating the reason for leaving and the address of destination. Hostel students who leave hostel without the application and prior permission from the concerned authorities shall be deemed to be missing and their parent/guardian or even the police authorities may be intimated.

10. Any hostel student harbouring any unauthorized person(s) will be expelled from the hostel immediately.
11. The inmates of the hostel should not leave the hostel premises on holidays for the purpose of excursion or picnic without prior permission of the Warden/Chief Warden. However, for any accident or fatality that may occur during picnic/excursion, the responsibility does not lie with the institute or Hostel authorities.
12. No resident of the hostel is permitted to take any article/utensils etc, outside the hostel/mess premises and even to his/her room.
13. No association of students on the basis of region, caste or creed is permitted.
14. No secret activities or meetings are permitted on the hostel premises. For holding any meeting in the hostel room or anywhere in the hostel area, prior written permission should be obtained from the Chief Warden.
15. Residents shall refrain from any act, covert or overt, that may destroy or disturb the peace and harmony among the residents and on the campus.
16. No hostel inmate shall take the law into his/her own hands. If any of the hostel inmates find that other students are indulging in any undesirable activity or causing inconvenience or physical injury to him/her or to the other hostel inmates, he/she should lodge a complaint in writing with the warden concerned.

17. Keeping of lethal weapons like sticks, rods, chains etc. in the hostel rooms is strictly prohibited.
18. The hostel cannot be considered as the hiding place for miscreants. The police authorities may enter the campus and detain anyone depending upon the severity of the offence.
19. Ragging of any kind is severely punishable as per the Prohibition of Ragging Act. As such students are advised not to indulge in such activity.
20. Students who have finished the four years of course work but yet to pass some examinations are called backloggers. Such students will not be normally given accommodation in the college hostels. Similarly, students who have not been promoted to the next higher class and who are not for some reason attending classes during the given semester or academic year also will not be given accommodation in the hostels.
21. The hostel area is declared out of bounds to the back loggers. Therefore, the stay of any back logger in the hostel will be treated as a case of trespass. The hostellers who entertain or permit backlog students to stay in their rooms, will also be liable to disciplinary action including expulsion from hostels.
22. Hostel inmates who are found guilty of misconduct or guilty of infringement of any of the rules prescribed above shall be liable to fine, suspension, rustication or dismissal either from the hostels and/or from the institute or both by the appropriate authority.
23. The consumption or storage or supply of liquor or any sort of intoxicant is strictly prohibited and if found guilty, the offenders will be dealt with severely, including prosecution. Any kind of gambling is also prohibited.
24. In case a student falls sick, he/she should contact immediately the Medical Officer/Chief Warden/Warden. In case of an emergency, students

may shift the patient immediately to a hospital and inform the authorities at the earliest. A student suffering from infectious/contagious diseases will not be permitted to stay in hostels.

25. Residents shall not get involved in arguments or otherwise interfere with the duties of the employees of the hostel. If there is any complaint or suggestion to be made, it shall be made to the warden concerned.
26. A hostel student will be completely responsible for all his possessions including his/her cycle/Laptop/Computer/Electronic gadgets, etc., The institute hostel will not be responsible for any loss incurred.
27. Boarders will be personally and collectively responsible for any loss/damage to the properties and equipment and other fittings in the common halls. In case of damage to any buildings, furniture, apparatus or other property of the college, the loss caused to the institution shall be recovered directly from those identified persons whenever possible. But, if persons who cause the damage are unknown, the cost of repairing it, as may be assessed by the hostel authorities, will be distributed equally among all the students of such groups or associations as may be found responsible.
28. Students are advised not to keep valuables in the hostel rooms. They are advised to deposit extra cash in the bank or in the post office or at any other safe place.
29. They should lock their rooms properly when they go out for their bath, mess etc., Each room-mate must keep a key of the door lock of his/her room, particularly in the case of double/triple seated rooms.
30. Each student shall use only one tube-light not exceeding 40 watts. Use of all unauthorized electrical appliances such as Induction stove, heaters etc., is strictly prohibited and these will be confiscated, and the

concerned student will be penalised. However, usage of computer and printer in the hostel room will be allowed with prior permission from the Chief Warden.

31. Fans and lights must be switched off when the students leave their rooms. Light must be switched off positively when they go to bed. In case it is noticed that fans/lights are on the locked room, a heavy penalty will be imposed for wasting the costly energy sources.
32. Every student residing in the hostel must dine in the hostel messes only. Individual/group cooking in the rooms is forbidden. If found, they will be expelled from hostels or fined.
33. Playing music and videos etc. inside the rooms is strictly prohibited as it causes disturbance to the inmates. Any such complaint against boarders will be viewed very seriously and seizure of the gadgets will be made along with imposition of heavy fine.
34. Every inmate of the hostel shall pay the mess bill and other charges before the stipulated date of every month, failing which fines will be imposed as per rules and regulations. The approved rules regarding mess rebate will be applied to all the inmates of the hostel. Mess exemption on medical ground will be allowed under extraordinary situation on payment of service charges.
35. The room of any student in the hostel can be inspected at any time by the Warden/Chief Warden or any authorized member of the institute staff or district police officials. Inmates are advised to keep their ID cards with them and show them on demand.
36. Block Volunteers/Mess Volunteers will be selected on merit or as desired by the Warden from among the Block/mess students to assist him/her in the supervision of hostel block/mess and in enforcing discipline. Every

hostel inmate shall co-operate with him/her in the act of discharging his/her duties.

37. Hostel inmates are requested to maintain their surroundings neat and clean.
38. Students should not break open or try to break open the occupied/vacant rooms of the hostels. Any damage done to the hostel property will have to be borne by all the residents of the hostel.
39. Inmates should not fire crackers on any occasion inside the hostel or within the premises of the hostel.
40. Inmates are prohibited from writing slogans or any writings obscene drawings on the hostel walls and rooms. Heavy penalties will be imposed on students/group of students indulging in such writings.
41. Inmates should not play cricket, football etc., in the common halls or inside or in front of hostels. It causes damage to the hostel property, but also disturbs the peace of the surroundings. Heavy penalty will be imposed and will be collected from all students of the Block.
42. All the hostellers are to note that electrical/carpentry/plumbing complaints should be given in writing to Warden Incharge (Maintenance) or written in the complaint register available in the hostel office. In case the complaint is not attended to or there is any difficulty, the students can contact the Chief Warden.
43. Female visitors and girl students are not permitted to visit the men's hostel any time.

### **Girl Students**

1. Male visitors (visitors mean Parents / Guardians) are not permitted any time into the women's hostel.

2. In the case of the women's hostel, Lady Visitors are not permitted after 7.30 p.m.
3. All Girl students must be present in their rooms before 8.30 p.m. Girl students must take prior permission from the concerned Warden/Chief Warden for leaving the campus, in case of urgent necessities only. They must enter their movements in the Register provided while going out and reporting in (after obtaining permission from the concerned Warden/Chief Warden). Students leaving the hostel without prior permission will be viewed very seriously and will invite expulsion from the rooms and or from the institute.

#### **RULES APPLICABLE TO MESSES AND BOARDERS**

1. A student as soon as he / she are admitted into the institute hostel will also be enrolled with one of the messes (unless he/she takes permission to be a day scholar from the institute authorities). Admission will be made on payment of the specified mess deposit and other fees.
2. The mess charges will be levied at the beginning of the academic year.
3. There is no system of rebate and hence students cannot claim for absence and vacation.
